PUBLIC CONSENT ORDER

By agreement of the Georgia State Board of Registration for Professional Engineers and Land Surveyors ("Board") and Lowe Engineers, LLC. ("Respondent"), the following disposition of this matter is entered pursuant to the provisions of the Georgia Administrative Procedure Act, O.C.G.A. § 50-13-13(a)(4), as amended.

FINDINGS OF FACT

1.

Respondent is a limited liability company that currently holds a certificate of registration to practice as a professional engineering firm in the State of Georgia and was so licensed at all times relative to the matters herein.

2.

In 2025, the Board received a complaint against the Respondent regarding the work of one of its employees. The complaint alleged that Respondent sealed a set of documents not prepared by the firm or under the firm's direct supervisory control.

3.

The Board received and reviewed supporting evidence that Respondent submitted plans to the City of Atlanta that were prepared by copying portions of other plans without the consent of the original firm.

4.

Respondent did not conform to the minimum standards and specifications in the practice of professional engineering, including but not limited to the following:

(a) that plans submitted under Respondent's seal were not prepared by Respondent or another party under her direct supervisory oversight, in violation of O.C.G.A. § 43-15-22(b) and GA. COMP. R. & REGS. 180-12-.02(3);

(b) that plans submitted under Respondent's seal to the City of Atlanta were prepared by copying portions of previously drafted plans without consent of the original preparing firm, in violation of O.C.G.A. § 43-15-22(b) and GA. COMP. R. & REGS. 180-12-.02(3);

5.

Respondent admits the above findings of fact and waives any further findings of fact with respect to the above-styled matter.

CONCLUSIONS OF LAW

Respondent's conduct and the above Findings of Fact constitute sufficient grounds to sanction Respondent's certificate of registration to practice as a professional engineering firm in the State of Georgia, under O.C.G.A. Title 43, Chapters 1 and 15. Respondent hereby waives any further conclusions of law with respect to the above-styled matter.

ORDER

The Board, having considered all the facts and circumstances surrounding this case,

hereby orders and Respondent hereby agrees to the following:

1.

Respondent shall submit a fine in the amount of **$500.00** in the form of cashier's check or money order made payable to the Georgia State Board of Registration for Professional Engineers and Land Surveyors **within sixty (60) days of the docket date of this Consent Order**. Said fine shall be sent to the Georgia State Board of Registration for Professional Engineers and Land Surveyors, 237 Coliseum Drive, Macon, Georgia, 31217. Failure to pay such fine **within 60 days** of the docket date shall be deemed a violation of this Consent Order and may result in further sanctions against Respondent's license, including revocation.

2.

Approval of this Consent Order by the Board shall in no way be construed as condoning Respondent's conduct, and shall not be construed as a waiver of any of the lawful rights possessed by the Board.

3.

Respondent acknowledges that Respondent has read this Consent Order and understands its contents. Respondent understands that Respondent has the right to a hearing in this matter and freely, knowingly and voluntarily waives that right by entering into this Consent Order. Respondent understands and agrees that a representative of the Department of Law may be present during the Board's consideration of this Consent Order and that the Board shall have the authority to review the investigative file and all relevant evidence in considering this Consent Order. Respondent further understands that this Consent Order will not become effective until approved by the Board and docketed by the Division Director of the Professional Licensing Boards Division. Respondent understands and that this Consent Order, once approved and
